Monthly Challenge #4

March 2020

Arena Madness

Choose a party makeup using any rules and the Normal Mode rules for character starting stats [using 6s, 7s, 8s, and 9s]. Give each player 4 treasure cards. 1 Additional treasure card will be given to each player at the end of each round.

Devise a set of 4 encounters that test the players with groups of enemies in a set of 4 versus 4 combat. Use enemies from any of the Open Beta content.

If the players are defeated then they do not receive treasure but may continue with the next group of enemies.
